## \*CARE LEVEL ABBREVIATIONS

### IL – Independent Living

For active seniors who want a maintenance-free lifestyle with optional amenities (like meals, housekeeping, or activities).

### AL – Assisted Living

For individuals who need help with daily activities like bathing, dressing, or managing medications—while still living as independently as possible.

### MC – Memory Care

Specialized support for seniors with Alzheimer’s or other forms of dementia. Offers secure environments, trained staff, and tailored daily routines.

### SN – Skilled Nursing

Also known as a nursing home, this provides 24/7 medical care from licensed nurses, often following hospitalization or during ongoing medical conditions.

## ABOUT THIS CHART

The communities included in this comparison chart represent a range of care levels, amenities and pricing, and were selected based on a combination of public ratings, availability of information and our professional experience working with them.

Bluegrass Transitions is not affiliated with any of these providers, nor do we receive compensation for listing them—we simply aim to provide helpful, impartial guidance during your transition planning process. Full business names and websites are listed for your convenience.
